1 AMENDMENT TO HOUSE BILL 4850

2 AMENDMENT NO. _____. Amend House Bill 4850 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by adding Sections
5 10-30 and 34-21.9 as follows:

6 (105 ILCS 5/10-30 new)

7 Sec. 10-30. Mandate compliance; delayed State payments.

8 (a) If any payments from the State to a school district are
9 delayed, then the school district is not obligated to comply
10 with the following statutory mandates during that time:

11 (1) State assessments for writing;

12 (2) requirements for school districts to identify,
13 track, and report on the educational progress and outcomes
14 of dropouts who have re-enrolled in school, as required by
15 subsection (e) of Section 26-2 of this Code;

16 (3) requirements for school districts to use 5%

1 biodiesel fuel in their busses, as required by Section
2 12-705.1 of the Illinois Vehicle Code;

3 (4) requirements for school districts to have the
4 designated integrated pest management person attend a
5 training course, as required by Section 10.2 of the
6 Structural Pest Control Act;

7 (5) requirements that school districts provide summer
8 breakfast or lunch programs for the duration of their
9 summer school program in each school that has at least 50%
10 of the students eligible for free or reduced-price lunch,
11 as required by Section 20 of the Childhood Hunger Relief
12 Act;

13 (6) requirements that school districts that apply for
14 school construction grants receive certification from a
15 green building rating system, as required by Section 5-40
16 of the School Construction Law;

17 (7) requirements on school districts that construction
18 projects meet all energy and environmental standards as
19 required by the Green Buildings Act;

20 (8) requirements that school districts grant 20 days of
21 paid leave of absence for any employee that serves as a
22 trustee on the Illinois Municipal Retirement Fund's Board
23 of Trustees, as required by Section 24-6.3 of this Code;
24 and

25 (9) requirements for driver education, as required by
26 the Driver Education Act, Sections 27-24 through 27-24.8 of

1 this Code.

2 (b) If payments are delayed as described in subsection (a)
3 of this Section, then a school district may choose to
4 discontinue or modify any of the mandated activities listed
5 under subsection (a) of this Section. Official action by the
6 school board must take place before a school district may
7 choose to discontinue a mandated activity due to delayed
8 payments from the State. If a school district discontinues or
9 modifies a mandated activity due to delayed payments from the
10 State, then the school district shall maintain a list of all
11 discontinued or modified activities. The list shall be provided
12 to the State Board of Education upon request.

13 (105 ILCS 5/34-21.9 new)

14 Sec. 34-21.9. Mandate compliance; delayed State payments.

15 (a) If any payments from the State to a school district are
16 delayed, then the school district is not obligated to comply
17 with the following statutory mandates during that time:

18 (1) State assessments beyond what is federally
19 required by the Elementary and Secondary Education Act of
20 1965;

21 (2) requirements for school districts to identify,
22 track, and report on the educational progress and outcomes
23 of dropouts who have re-enrolled in school, as required by
24 subsection (e) of Section 26-2 of this Code;

25 (3) requirements for school districts to use 5%

1 biodiesel fuel in their busses, as required by Section
2 12-705.1 of the Illinois Vehicle Code;

3 (4) requirements for school districts to have the
4 designated integrated pest management person attend a
5 training course, as required by Section 10.2 of the
6 Structural Pest Control Act;

7 (5) requirements that school districts provide summer
8 breakfast or lunch programs for the duration of their
9 summer school program in each school that has at least 50%
10 of the students eligible for free or reduced-price lunch,
11 as required by Section 20 of the Childhood Hunger Relief
12 Act;

13 (6) requirements that school districts that apply for
14 school construction grants receive certification from a
15 green building rating system, as required by Section 5-40
16 of the School Construction Law;

17 (7) requirements on school districts that construction
18 projects meet all energy and environmental standards as
19 required by the Green Buildings Act;

20 (8) requirements that school districts grant 20 days of
21 paid leave of absence for any employee that serves as a
22 trustee on the Illinois Municipal Retirement Fund's Board
23 of Trustees, as required by Section 24-6.3 of this Code;
24 and

25 (9) requirements for driver education, as required by
26 the Driver Education Act, Sections 27-24 through 27-24.8 of

1 this Code.

2 (b) If payments are delayed as described in subsection (a)
3 of this Section, then a school district may choose to
4 discontinue or modify any of the mandated activities listed
5 under subsection (a) of this Section. Official action by the
6 school board must take place before a school district may
7 choose to discontinue a mandated activity due to delayed
8 payments from the State. If a school district discontinues or
9 modifies a mandated activity due to delayed payments from the
10 State, then the school district shall maintain a list of all
11 discontinued or modified activities. The list shall be provided
12 to the State Board of Education upon request.

13 Section 99. Effective date. This Act takes effect upon
14 becoming law.".
